CONOR

We proudly support patients, families and staff at **Aintree University Hospital, Broadgreen Hospital and Royal Liverpool University Hospital.**

We fund projects and equipment, and we improve patient and staff spaces and wellbeing – services that go beyond NHS budgets. We help to create the very best experience for patients, families and staff in a challenging environment.

Thanks to the generosity of our supporters, we can invest in initiatives that enhance care, improve wellbeing and make a real difference across our hospitals every day. So, whether you donate, fundraise, volunteer or take part in one of our events, every contribution helps us support people when they need it most.

Together, we're creating brighter hospital experiences across **Aintree, Broadgreen and the Royal.**

Help support your hospitals

You can fundraise, donate, volunteer or take part in an event to help enhance patient care and staff wellbeing. However you would like to support us, we can help! We'd love to hear from you.

Thanks to the generosity of our supporters, we've been able to make a difference across **Aintree, Broadgreen and Royal Liverpool** by funding:

- Patient essentials, including warm clothing, toiletries and slippers for patients who arrive in hospital with little or nothing
- SEN support packs to help create calmer experiences for patients who may become overwhelmed in busy areas such as A&E
- Christmas Day gifts for patients who are unable to spend the festive season at home, helping to bring comfort and kindness during what can be a difficult time
- Improvements to the Aintree Breast Unit, increasing capacity and helping us care for more patients in a modern, welcoming environment
- The Frances Centres across our hospitals – funding staff in a charity funded, dedicated dementia-friendly space providing therapeutic activities and non-pharmacological support to enhance patient wellbeing

RACE DAY ETIQUETTE

At RunThrough we are massive advocates that running truly is for anyone. Whatever your ability, gender, age or ethnicity, we're here to support you.

Whilst at a RunThrough event, we hope you feel safe, encouraged and included. In order to achieve this, we have a few simple rules we'd like our runners to follow:

- **Be considerate and respectful to other runners, race staff & members of the public.**
- **Refrain from demeaning, discriminatory or harassing behaviour and speech.**
- **Be mindful of your surroundings and your fellow participants.**
- **Help us keep the course pleasant for everyone by refraining from pushing, spitting and littering.**

If you see or experience anything that challenges these or makes you feel uncomfortable, please don't hesitate to visit our Information tent or speak to a member of our team. (We can be found in Blue High-vis jackets!) Or if you prefer you can email us at info@runthrough.co.uk.

We're always available to deal with any issues, offer support or simply just have a chat! We're on hand to ensure everyone has the best race day experience possible and feels supported throughout the day.

WARM UP & RACE START

We will have a warm up in the event village 15 minutes prior to the start of each race. From here, we will call out estimated finish times to get all runners lined up and ready to run.

DURING THE RACE

There will be marshals all around the course as well as distance signs and arrows.

Half Marathon - follow yellow Mile markers 1-13 - Out & back + 4 laps

10k Runners - follow green KM markers 1-9 - 2 Laps

5k Runners - follow green KM markers 1-4 - 1 Lap

The course includes the paths within and around the Racecourse as well as the surrounding roads.

Due to the nature of a lapped course we ask that you remain to the left of the path at all times unless otherwise instructed by signage or a marshal. This will allow for anyone needing to overtake to have a clear path on your right and ensure not only everyone's safety but allow for the best experience throughout the race.

Please drain and discard all litter and bottles within the signed litter zone, which will be shortly after the water station. There are no road sweepers, our event team picks up all litter by hand, so please help them to keep the course litter free for other runners and the local community.

A limited number of SiS gels will also be provided at the water station. If you choose to take a gel or provide your own, please retain the packets and tear off tops on your person, or discard within the bins provided. With respect for the marshals, venue and environment, littering of any kind won't be tolerated.

WATER STATIONS

There will be a water station on each lap of the course.

There will also be a bottle of water waiting for you at the finish line.

We recommend bringing your own water and nutrition/gels to help you stay hydrated and fuelled before and during the event.

Please note, headphones are not permitted, unless bone conducting. Should you choose to wear these, we ask you keep the volume low in order to remain aware of your surroundings at all times and can hear any marshal instructions during the race.

LOOK OUT FOR THE LITTER ZONE SIGNAGE!
