RACE START

From the event village we will call out estimated finish times to get all runners lined up and ready to run. There will be a short warm up taking place from the start line.

DURING THE RACE

There will be marshals all around the course. For the 10k, green KM signs will be around the course in consecutive order from 1-10. For the 5k, please be aware to look out for red KM signs 1-5.

The 10k is 4 laps and the 5k is 2 lap of the course.

Due to the nature of a lapped course we ask that you remain to the left of the path at all times unless otherwise instructed by signage or a marshal. This will allow for anyone needing to overtake to have a clear path on your right and ensure not only the safety but allow for the best experience throughout the race.

Please also be aware that we will have a safety bike ahead of the lead runner of each distance to prevent any collision around the laps. They will be vocal when coming towards you from behind so be sure to listen out for any additional instructions.

Please discard all litter and bottles within the signed litter zone. There will be large bags and bins within this area that you will pass on each lap of your race.

Please be aware this is a nighttime race, we highly recommend wearing Bright High-viz clothing and lights where possible.

REFRESHMENTS

There will be a water station on each lap of the course.

There will also be a bottle of water waiting for you at the finish line.

We recommend staying hydrated in the lead up to the event.
