RACE START

We will have a warm up in the event village 15 minutes prior to the start of each race.

From here, we will call out estimated finish times to get all runners lined up and walked over to the start line ready to run.

DURING THE RACE

We will have marshals all around the course as well as distance signs and arrows. These will be black mile markers for the Half Marathon, green KM markers for the 10k and red KM markers for the 5k.

Please keep count of your laps during the race.

Half Marathon - 3 laps + a mini lap

10k - 2 laps

5k - 1 laps

Please be aware of pedestrians, cyclists and dogs using the footpaths.

Due to the nature of a lapped course we ask that you remain vigilant to other runners. This will allow for anyone needing to overtake to have a clear path through and ensure not only your safety but allow you the best experience throughout the race.

Please also be aware that we will have a safety bike ahead of the lead runner of each distance to prevent any collision around the laps. They will be vocal when coming towards you from behind so be sure to listen out for any additional instructions.

Please discard all litter and bottles within the signed litter zone. There will be large bags and bins within this area that you will pass on each lap of your race.

REFRESHMENTS

There will be a water station on each lap of the course.

There will also be a bottle of water waiting for you at the finish line.

We recommend bringing your own drinks to stay hydrated in the lead up to the event.
