RACE START

We will have a warm up in the event village 15 minutes prior to the start of the race.

From here you will be called to the start line based on your estimated finish time and set off in 3 waves with just 3 minutes between each, the first wave will set off at 9.30am. This will help to relieve and prevent congestion on course.

DURING THE RACE

We will have marshals all around the course as well as directional arrows and distance signs. You will follow Black and white mile signs from 1-13.

The course is two big laps of the outskirts and inside the park. Please stay on the paths at all times, and follow marshal instructions during the race.

Please be aware that there will be members of the public using the park during the race and that we ask you to be considerate and keep them in mind during the race.

Please familiarise yourself with the course before you start. There is a mixture of trail paths, well-trodden pathway, and grass. We recommend trail shoes, or trainers you don't mind getting muddy.

The first 1.5 miles of the loop are rather hilly, the course then flattens for around 3.5 miles and then downhill for the final 1.5 miles. The course itself has a few long stretches where there may be lots of pedestrians and by then the race will have spread out, all you need to do is run straight. If you have to turn anywhere there WILL be signage and tape or/and marshals.

Please discard all litter and bottles within the signed litter zones. These will be just past each of the water stations.

REFRESHMENTS

There is a water station at 3.5 miles, 7 miles, 10 miles and 12 miles, please help yourself to these as you pass.

There will also be a bottle of water waiting for you at the finish line.

We recommend bringing your own drinks to stay hydrated in the lead up to the event.
