## RACE START

Each race will have a warm up in the event village 15 minutes prior to the race start time. After the warm up, estimated finish times will be called to the starting pen where our marshals will guide you into a start formation.

## DURING THE RACE

The entire course is on the Motor Circuit itself. There will be marshals all around the course as well as distance signs and arrows.

50k runners, you will follow signs counting down from 30 miles to go. Marathon runners you will see signs counting down from 26 miles to 1 mile to go. 20 Mile runners you are looking for signs counting down from 20 to 1 miles to go. Half Marathon runners you are looking for signs saying 13 miles down to 1 mile to go. There will be red KM signs counting up from 1-4 for the 5k and 1-9 for the 10k.

All distances will have an out and back section at the start of each race before completing the following laps:

50k- 13 laps

Marathon – 11 laps

20 Mile – 8 laps

Half Marathon – 5 laps

10k – 2 laps

5k – 1 lap

(Please note there is a 6 hour strict cut off on all races)

Due to the nature of a lapped course we ask that you remain to the right of the course at all times unless otherwise instructed. This will allow for anyone needing to overtake to have a clear path on your left and ensure not only your safety but allow for the best experience throughout the race.

Please also be aware that we will have a safety bike ahead of the lead runner on the first lap of each distance to prevent any collision around the laps. They will be vocal when coming towards you from behind so be sure to listen out for any additional instructions.

Please discard all litter and bottles within the signed litter zone. There will be large bags and bins within this area that you will pass on each lap of your race.

## REFRESHMENTS

There will be a water station on each lap of the course.

You are also more than welcome to leave any gels, or your own drinks with a marshal or on the outer side of the course should you choose to bring your own hydration and aids.

There will also be a bottle of water waiting for you at the finish line.

We recommend staying hydrated in the lead up to the event.

Yes!

What is the minimum age for this event?

All RunThrough races follow the minimum ages of 11yrs for 5k, 15 for 10k & 17 for Half Marathons & longer.

Is there a time restriction to complete the race?

Yes, due to restrictions within the venue, please get in contact with us at [info@runthrough.co.uk](mailto:info@runthrough.co.uk) if you plan to take more than 6hrs to complete your race as we may need to make special arrangements around the course and event village.

I can no longer make the event, can I get a refund?

We are sadly unable to refund or transfer your entry within 14 days of the race as your race pack and everything associated with your entry fee including your medal, and post race goodies have already been paid for by this time. We'd love for you to run virtually and we can post out your medal and goodies!

Can I transfer my entry to a friend or swap distance?

Yes, we can happily swap the names and details associated with a booking. Please email in with your order number, and the new runners' name, email, address and date of birth. Or alternatively, visit the information desk on the morning of the race to do this.

Yes, we will have bottled water stations out on the course for you to help yourself to on each lap.

Am I allowed to wear headphones?

Headphones are not permitted, unless bone conducting. Should you choose to wear these, we ask you keep the volume low in order to remain aware of your surroundings at all times and can hear any marshal instructions during the race.

When will I get the add on RTKit I ordered with my entry?

This will be available to collect at the RTKit Stall on the day. Please have your email confirmation ready to show to our staff.

How should I get to the event?

We highly recommend using public transport where possible. If driving, there is parking available for all competitors in the field opposite gate 2 at Goodwood Motor Circuit. There is disabled parking available inside the track.

Where is the best place to spectate?

We advise staying within the event village to be sure you catch the finish! You're more than welcome to walk around the track, however if you're following the race course route, we ask spectators to be respectful of other runners on the circuit.
