TRAVEL

Address: Dorney Lake, Windsor

Parking:

Free parking is available at Dorney Lake and will be signposted as you enter the venue.

Please bear in mind there could be up to a 20-minute walk to registration depending upon which car park you find yourself in so we advise you to leave plenty of time for arrival.

The main event car park is at the Boathouse (next to the event village), not at the top of the lake where you enter.

Please be aware, from the main entrance to the car park it is just over a mile walk.

Please follow the directions of the marshals to the car park by the boathouse as this will ensure a short walk to the event village. **Please walk on the grass to reach the event village, keeping the path clear for other runners/triathletes on the course. This will be clearly sign posted on the day.**

Nearest Train stations:

Slough and Windsor & Eton Riverside

Getting Here by Bicycle:

The park is easily accessible by bicycle. Cycle parking is available in the park.

Please Note: There is a strict cut off for vehicles driving down towards the boathouse before race start - if you enter any later than 8:50 you will be asked to park in the carpark near the main gate which could take 20 minutes to walk down to the event village/race start.

Please leave yourself plenty of time to park and walk to the Event Village.

Retreats, Camps & Workshops for runners of all abilities

Let our UK leading coaching team re-energise your running at our unforgettable and inspirational running venues.

RACE START

We will have gather participants in the event village 10 minutes prior to the start of the races.

From here, we will call out estimated finish times to get all runners lined up and ready to run.

All races will start at the same time.

DURING THE RACE

There will be marshals all around the course and you will see mile markers in the form of black signs for the half marathon, and green KM signs for the 5k & 10k as well as arrows to direct you.

The course consists of laps around the right side of the lake and will involve 1 lap for the 5k, 2 laps for the 10k and 4 laps for the Half Marathon with an additional out & back section on each loop.

Due to the nature of a lapped course we ask that you remain to the left of the path at all times unless otherwise instructed by signage or a marshal. This will allow for anyone needing to overtake to have a clear path on your right and ensure not only your safety but allow for the best experience for you throughout the race.

Please also be aware that we will have a safety bike ahead of the lead runner of the Half Marathon and 5k to prevent any collision around the laps. They will be vocal when coming towards you from behind so be sure to listen out for any additional instructions.

Please discard all litter and bottles within the signed litter zone. There will be large bags and bins within this area that you will pass on each lap of your race.

REFRESHMENTS

There will be a water station on each lap of the course.

There will also be a bottle of water waiting for you at the finish line.

We recommend bringing your own water to stay hydrated in the lead up to the event.
