Retreats, Camps & Workshops for runners of all abilities

Let our UK leading coaching team re-energise your running at our unforgettable and inspirational running venues.

WARM UP & RACE START

20 minutes before the Half Marathon start, runners will be walked over to the start line and guided in a warm up.

15 minutes before the 10k start runners will have their warm up by the start line in the event village.

15 minutes before the 5k start runners will also be walked over to the 5k start line to do a warm up and begin their race.

PLEASE NOTE- The 5k & Half Marathon start lines are a short walk from the event village, please arrive with enough time to walk over with us.

DURING THE RACE

We will have marshals all around the course as well as distance signs and arrows. These will be yellow mile markers for the Half Marathon, green KM markers for the 10k and red KM markers for the 5k.

Please keep count of your laps during the race. The course is on the paths in the park:

Half Marathon - 6.75 laps (7 Times past the water station)

10k - 3 laps (3 Times past the water station)

5k - 1.5 laps (1 Time past the water station)

Please be aware of pedestrians, cyclists and dogs using the park footpaths. We have marshals around the course and signs but this is not a road race, you have to pay very close attention to where you are going.

Due to the nature of a lapped course we ask that you remain vigilant to other runners. This will allow for anyone needing to overtake to have a clear path through and ensure not only your safety but allow you the best experience throughout the race.

Please also be aware that we will have a bike ahead of the lead runner of each distance to prevent any collision around the laps. They will be vocal when coming towards you from behind so be sure to listen out for any additional instructions.

Please discard all litter and bottles within the signed litter zone. There will be large bags and bins within this area that you will pass on each lap of your race.

REFRESHMENTS

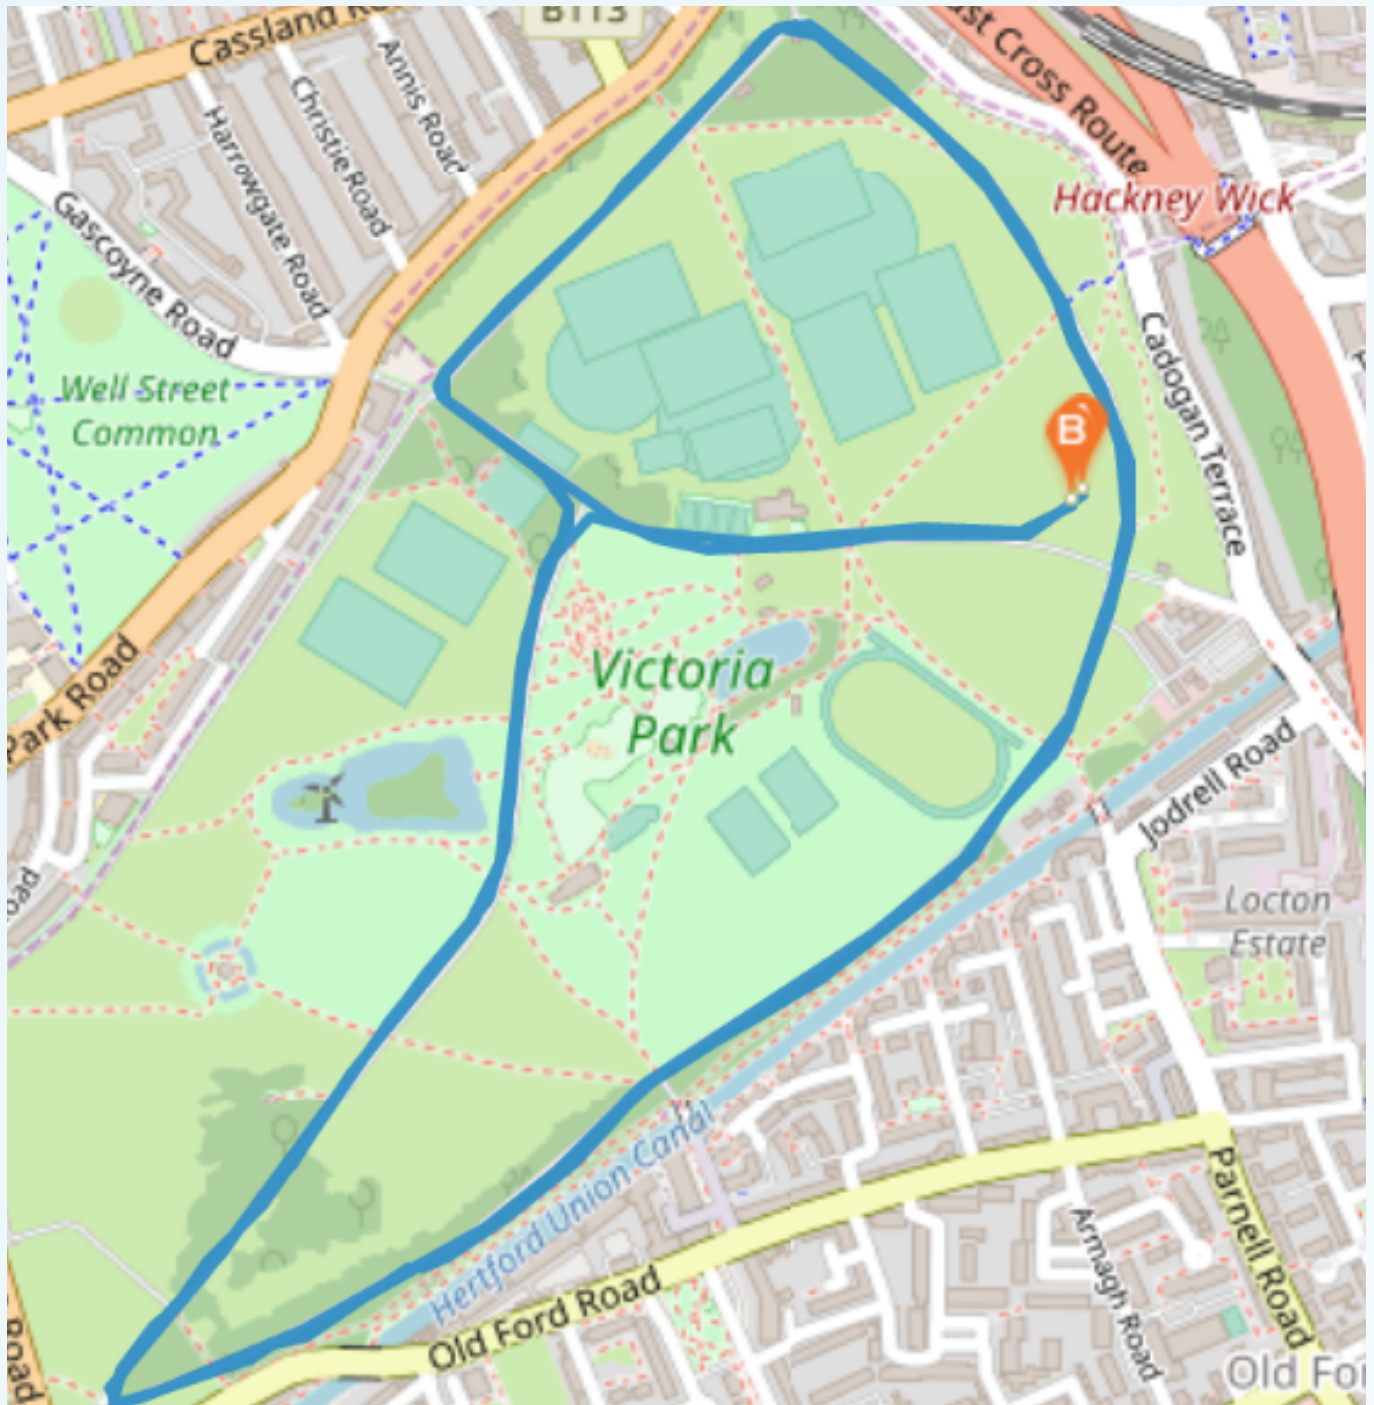

There will be a water station on each lap of the course.

There will also be a bottle of water waiting for you at the finish line.

We recommend bringing your own water to stay hydrated in the lead up to the event.
