Join us Again!

Welcome

The entire RunThrough Team is happy to extend a warm welcome to you, joining us for your upcoming race.

Our goal is simple: to inspire an active nation through running, through the provision of inclusive and welcoming events for everyone. Our collective passion for running and community has led us to create events that we hope will be memorable experiences for all participants.

Our team is a diverse blend of running enthusiasts and seasoned event organisers. Collectively, we've participated in countless races, which has not only honed our event organising skills but also deepened our understanding of the journeys of all runners.

So, rest assured, whether you're chasing a PB or aiming to complete your first race, you're among friends who understand the exhilarating highs of completing an event.

As race day approaches, know that your safety is our top priority. Our team (pictured) will be on the ground doing everything possible to ensure you have the best experience at this RunThrough event.

We look forward to seeing you on race day, don't hesitate to say hello!

Wishing you the best on race day!

WARM UP & RACE START

We will have a warm up in the event village 15 minutes prior to the start of the race.

From here, we will call out estimated finish times to get all runners lined up and ready to run.

Both the 5k & 10k will start together.

DURING THE RACE

We will have marshals all around the course as well as KM signs and arrows. Please be aware that there will be spectators and members of the public using the park.

The course is 2 laps for the 5k and 4 laps for the 10k.

Due to the nature of a lapped course we ask that you remain to the left of the path at all times unless otherwise instructed by signage or a marshal. This will allow for anyone needing to overtake to have a clear path on your right and ensure not only your safety but allow for the best experience throughout the race.

Please also be aware that we will have a safety bike ahead of the lead runner to prevent any collision around the laps. They will be vocal when coming towards you from behind so be sure to listen out for any additional instructions.

Please discard all litter and bottles within the signed litter zone. There will be large bags and bins within this area that you will pass on each lap of your race.

REFRESHMENTS

There will be a water station on each lap of the course, which you will pass once on the 5k and 3 times on the 10k.

There will also be a bottle of water waiting for you at the finish line.

We recommend also bringing your own drinks to stay hydrated in the lead up to the event.

We are so excited to announce our partnership with RunThrough!

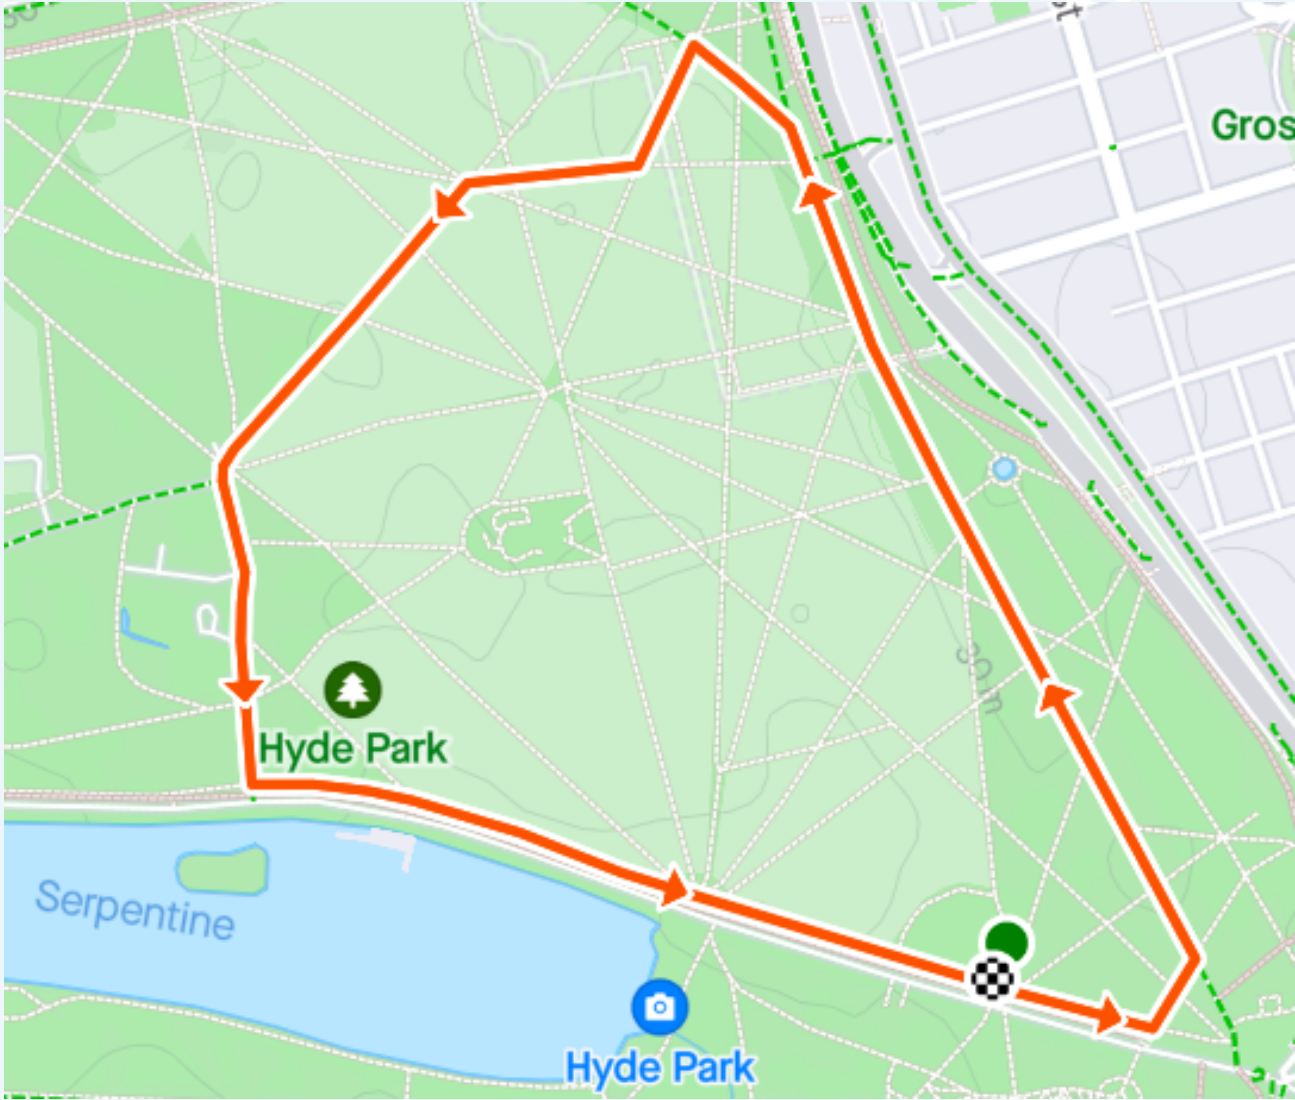

We believe running is a limitless source of positive energy and no matter your motivation we are here to help you keep showing up on your running journey.

Through our partnership we will be helping the RunThrough community keep putting one foot in front of the other, from gear advice and inspiring stories to help motivate you to the finish line!

How will my results show?

Results will be listed in Gun Time order (time from the start of the race, to you finishing). You will also be able to see your Chip time (the exact time from when you cross the start line to your finish). The difference between times may be due to it taking a few minutes to get everyone over the start line. Your category is determined on your age, anyone under 35 is classed as a senior, 35+ will be listed as Vets in 5yr increments. This will further be categorised as Female, or Open (All male, non-binary, or those who prefer not to say).

What is the minimum age for this event?

5k-11 | 10k-15

Is there a time restriction to complete the race?

No, everyone is welcome, however please get in contact with us at info@runthrough.co.uk if you plan to take more than 2hrs to complete your race as we may need to make special arrangements around the course and event village.

I can no longer make the event, can I get a refund?

We are sadly unable to refund or transfer your entry within 14 days of the race as your race pack and everything associated with your entry fee including your medal, and post race goodies have already been paid for by this time. We'd love for you to run virtually and we can post out your medal and goodies!

Can I transfer my entry to a friend or swap distances?

We are sadly unable to transfer your entry or edit associated details within 14 days of the race as your race pack and everything associated with your entry have now been processed.

Will there be a water station on the course?

Yes, we will have a bottled water station out on the course for you to help yourself to on each lap.

Am I allowed to wear headphones?

Headphones are not permitted, unless bone conducting. Should you choose to wear these, we ask you keep the volume low in order to remain aware of your surroundings at all times and can hear any marshal instructions during the race.

When will I get the add on RTKit I ordered with my entry?

This will be available to collect at the RTKit Stall on the day. Please have your email confirmation ready to show to our staff.

Where should I park for the event?

We highly recommend using public transport where possible as parking on site is limited.

Where is the best place to spectate?

We advise staying within the event village to be sure you catch the finish! You're more than welcome to walk around the park, however if you're following the race route, we ask spectators to be respectful of other runners on the paths.

Will there be a prize giving?

The top 3 male and female participants and 1st in each age group can expect an email reward in the week following the race. There will be no presentation on the day. There will also be prize money (£200- 1st | £150- 2nd | £100- 3rd) sent out, only for those who beat the following times:

5k Men's Sub 14:30, Women's Sub 16:00mins
