So, rest assured, whether you're chasing a PB or aiming to complete your first race, you're among friends who understand the exhilarating highs of completing an event.

As race day approaches, know that your safety is our top priority. Our team (pictured) will be on the ground doing everything possible to ensure you have the best experience at this RunThrough event.

WARM UP & RACE START

We will have a warm up in the event village 15 minutes prior to the start of each race.

From here you will be called to the start line based on your estimated finish time and set off in 3 waves with just 3 minutes between each, the first Half Marathon wave will set off at 9.30am, and the first 10k wave will set off at 9:50am. This will help to relieve and prevent congestion on course.

DURING THE RACE

We will have marshals all around the course as well as directional arrows, trail flags and distance signs.

The Half Marathon will follow Black and white mile signs from 1-13.

The 10k will follow Green KM signs from 1-9.

The 10k is one lap of the outskirts and inside the park. The Half Marathon follows 2 laps of the course. Please stay on the paths at all times, and follow marshal instructions during the race.

Please be aware that there will be members of the public using the park during the race and that we ask you to be considerate and keep them in mind during the race.

Please familiarise yourself with the course before you start. There is a mixture of trail paths, well-trodden pathway, and grass. We recommend trail shoes, or trainers you don't mind getting muddy.

The first 1.5 miles of the loop are rather hilly, the course then flattens for around 3.5 miles and then downhill for the final 1.5 miles. The course itself has a few long stretches where there may be lots of pedestrians and by then the race will have spread out, all you need to do is run straight. If you have to turn anywhere there WILL be signage and tape or/and marshals.

Please discard all litter and bottles within the signed litter zones. These will be just past each of the water stations.

We are so excited to announce our partnership with RunThrough!

We believe running is a limitless source of positive energy and no matter your motivation we are here to help you keep showing up on your running journey.

Through our partnership we will be helping the RunThrough community keep putting one foot in front of the other, from gear advice and inspiring stories to help motivate you to the finish line!

How will my results show?

Results will be listed in Gun Time order (time from the start of the race, to you finishing). You will also be able to see your Chip time (the exact time from when you cross the start line to your finish). The difference between times may be due to it taking a few minutes to get everyone over the start line.

Your category is determined on your age, anyone under 35 is classed as a senior, 35+ will be listed as Vets in 5yr increments. This will further be categorised as Female, or Open (All male, non-binary, or those who prefer not to say).

What is the minimum age for this event?

HM- 17 | 10k- 15

Is there a time restriction to complete the race?

No, everyone is welcome, however please get in contact with us at info@runthrough.co.uk if you plan to take more than 3hrs to complete your race as we may need to make special arrangements around the course and event village.

I can no longer make the event, can I get a refund?

We are sadly unable to refund or transfer your entry within 14 days of the race as your race pack and everything associated with your entry fee including your medal, and post race goodies have already been paid for by this time. We'd love for you to run virtually and we can post out your medal and goodies!

Can I transfer my entry to a friend or swap distance?

We are sadly unable to transfer your entry or edit associated details within 14 days of the race as your race pack and everything associated with your entry have now been processed.

Will there be a water station on the course?

Yes, we will have 3 bottled water stations which you will pass throughout the Half Marathon race, and 1 on the 10k route.

Am I allowed to wear headphones?

When will I get the add on RTKit I ordered with my entry?

This will be available to collect at the RTKit desk on the day. Please have your email confirmation ready to show to our staff.

Where is the best place to spectate?

We advise staying within the event village to be sure you catch the finish! You're more than welcome to walk around the park, however if you're following the race course route, we ask spectators to be respectful of other runners on the paths.
